# Integration Program for Employers

Best Practices Proposal – People in Peril  
Topic: Employment

---

## Summary:

Since the outbreak of the war in Ukraine, People in Peril has been providing comprehensive social support to refugees from Ukraine. In cooperation with the employer TESCO STORES, we have developed an integration program aimed at facilitating the inclusion of Ukrainian employees.

Support is provided to both job seekers and the employer throughout the recruitment, onboarding, and post-placement phases across 10 locations in 5 regions of Slovakia. The monitoring process continues with both the employee and the employer, with support offered throughout the three-month probation period and extended beyond if needed.

## Impact & Achievements:

- Systemic cooperation with Tesco Stores
- Quality employment counselling provision
- Support for both refugees and marginalized communities
- Includes full-time, part-time, vocational training, and internships
